## Energy Efficient Electric Water Heater Incentive Program

A new energy-efficient water heater provides more than hot water; it can give you comfort, safety, peace of mind, and a \$60 credit on your FEC electric bill. Here's how:

- Purchase a new energy-efficient water heater and install it in our service area. Water heaters of 60 gallons or less must have an Energy Factor of .93 or higher, tanks over 60 gallons must have an Energy Factor of .91 or higher in order to qualify.
- Complete this form and return it to FEC along with a sales receipt that lists date of purchase, manufacturer and model number within six (6) months of purchase. **An incentive cannot be processed without a copy of the sales receipt.**

Water Heater Brand Name: \_\_\_\_\_ Size (Gallons) \_\_\_\_\_

Model Number: \_\_\_\_\_ Length of Warranty \_\_\_\_\_

Number of Water Heaters: \_\_\_\_\_ x \$60.00 = \$ \_\_\_\_\_

Name, Address & Phone Number where installed:

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_

**Apply the Incentive to this Account:**

Member's Name: \_\_\_\_\_ Account Number: \_\_\_\_\_

I certify that this water heater was purchased for installation at the above address. I will allow a representative of FEC to verify installation of the water heater. I understand it is my responsibility to install the water heater to meet all applicable codes and that the Cooperative is free from any liability arising from the installation or operation of this water heater.
